Job/Project Title	BARPC Walled Garden Operation during COVID-19 Restrictions
MS Revision Number	v1.1
Date	14 June 2020

Description of Works

Task	Booking in shooters – commencing shooting
Time	Various – Daylight hours
Duration	5 - 10 minutes dependant on number of shooters booked
Sequence	<ol style="list-style-type: none"> 1. Meet the shooters at either the carpark gate or the gate onto the range (dependant on whether the Walled Garden is open to the public). 2. Check that only those members who have booked onto a session via the forum are in attendance. 3. Remind members to maintain 2m/6.5ft distancing. 4. Unlock & open the gate, move back and allow the members access to the range. 5. Secure the gate once all members are in. 6. Sign all shooters in, noting time arrived. 7. Brief the shooters on the additional protocols in place, namely; <ol style="list-style-type: none"> a. All to use the sanitiser located on the back of the door to the hut. b. One shooter per shooting bay and shooters to remain in that bay for the duration of the session. c. Targets have been set out however if a shooter needs a paper target they are to tell the RO now. (The RO will then set up the target prior to commencing shooting.) d. Shooters are to remain on site until the end of the session at which point the RO will escort them back to gate. e. Seats are available if required; the RO will put the seats in the bays as required prior to the shooter taking a plastic cover and placing it over the seat. f. There is to be no other club equipment used and no sharing of personal equipment. g. The Bothy will remain closed, so there are no toilets available on site. h. All standard safety rules remain extant. 8. Allocate shooters to shooting bays. 9. Set up paper targets as required. 10. Set out seats as required. 11. Confirm everyone is ready to start the session? 12. Give two whistle blasts and ask the person next to the flag to bring it in. <p>*If the RO is confident that the session is progressing safely (from both a shooting and a COVID-19 perspective) and providing there is capacity then they may shoot, using the left hand bay of the 30yd shooting line.*</p>
Location	Walled Garden

Resources Required

Personnel	Range Officer plus up to 5 shooters.
Supervision	Nil.
Equipment	Nil.
Materials	Sanitiser. Bin bags.

Assessment of Significant Risks for all Tasks

Other	Reminder not to touch face once process starts until hands are sanitised.

Job/Project Title	BARPC Walled Garden Operation during COVID-19 Restrictions
MS Revision Number	v1.1
Date	14 June 2020

Description of Works

Task	Additional Task – Mixing bleach solution
Time	Various – Daylight hours
Duration	2 minutes
Sequence	<ol style="list-style-type: none"> 1. Put on disposable gloves and eye protection (either shooting glasses or prescription glasses). 2. Take the bleach and spray bottle(s) along with the key and go into the Bothy. 3. Open the spray bottle. 4. Use the cold water tap to fill the spray bottle to the line marked 'Water'. The finished solution should be 1 part bleach to 9 parts water so for the 1.5 litre spray bottle fill with 1,350ml of water & for the 5 litre bottle 4,500ml. 5. Open the bleach. 6. Add the bleach to the spray bottle to the line marked 'Bleach'. The finished solution should be 1 part bleach to 9 parts water so for a 1.5 litre spray bottle fill with 150ml of bleach & for the 5 litre bottle 500ml. 7. Close the bleach bottle, ensuring it is done up tightly. 8. Replace the cap on the spray bottle and ensure it is done up tightly. 9. Gently shake the spray bottle to mix the solution. 10. Return to the range, securing the Bothy behind you. 11. Remove and dispose of gloves. 12. Remove eye wear (unless prescription glasses). <p>*Note – Bleach solution degrades over time so do not be tempted to mix large quantities to save time, rather mix only what you need.</p>
Location	Walled Garden

Resources Required
