Walled Garden Range – COVID-19 Restrictions

Relevant Publications/Pamphlets/Procedures: Walled Garden Generic Risk Assessment  
HM Gov Guidelines on COVID-19 Restrictions  
NSRA Guidance on COVID-19

Assessor: Richard Newcombe

Date of Assessment: 02 Jul 21

Review Date:

Generic Risk Assessment:  
Yes/No

Ser	Activity / Element (Step 1)	Hazards Identified (Step 2)	Risks Identified (Step 3)	Existing Controls (Step 4)	Is Residual Risk Acceptable (Step 5)	Additional Controls Required (Step 6)	Is Residual Risk Acceptable <sup>1</sup> (Step 7)
(a)	(b)	(c)	(d)	(e)	(f)	(g)	(h)
1	Operating the Walled Garden range.	Cross contamination form the various contact points.	3x1 Medium	<p>On arrival at the site the RO will open up as normal ensuring they do not touch their face having touched the locks or gate.</p> <p>Once the shed is open all persons to use the sanitiser provided.</p> <p>Only the RO to enter the shed and remove targets.</p> <p>The RO to sign all people into the book.</p> <p>Once all targets are set up all persons are to clean their hands with the sanitiser before handling their personal kit.</p> <p>Shooters are encouraged to bring their own bean bags/mats however club chairs/bags are available.</p> <p>The zeroing benches, kit shelves and the horizontal rest at the 30yd shooting line will be covered with protective sheeting. After each session these will be wiped down using a bleach solution.</p> <p>Hand sanitiser is provided for all range users.</p> <p>The Bothy will remain closed during this phase of the reopening. Members will be briefed that there will be no ablutions available on site.</p> <p>All equipment that may be used by multiple persons will be cleaned down with the bleach solution between users (including guns).</p> <p>Once all equipment is away the RO will take a sanitising wipe and wipe down all locks and handles as they secure the range on their</p>	Yes		

<sup>1</sup> If residual risk remains consult committee.

				departure. Gloves and wipes will then be placed in the general waste bin in the carpark.			
2		Cross contamination due to not maintaining 2m social distancing.	3x1 Medium	All activities will take place outdoors. Numbers will be restricted to no more than ten persons on site. Only the RO will access the range hut. If a coach/instructor/RO needs to work within 2m of a shooter they will both wear face coverings. Both the 30 and 55yd shooting lines have been marked with shooting bays, there is to be one shooter per bay and this ensures a minimum 2m separation whilst shooting.	Yes		
3		Exposure to an asymptomatic COVID-19 carrier.	3x1 Medium	As the RO signs people onto the range they will record arrival and departure times this will enable suitably empowered track and trace teams to identify who was on the range at the same time.	Yes		
4	Mixing bleach solution.	Chemical burn from spilt bleach.	2x1 Low	Only RO to conduct task. Gloves and eye protection to be used.	Yes
